REF: A. Warsaw 724, Deptel 41910

1. Agree your comments ref A that it now appears unlikely ChiComs will respond to dates we proposed ref B. If and when Chinese do respond, you should note you will refer their proposal to Dept for its consideration. FYI We assume recent developments in Laos and Cambodia are responsible for Chinese ~~delay~~ delay in response. END FYI We do not intend to press ChiComs for response at this time.
